It was noted that the City of Dunedin 2025 rates for water will increase 6%, sewer 6%, trash 4%, and stormwater 29.7% above the 2024 rates.

It was clarified that VP's water / sewer / trash / stormwater bill for August 2024 was not \$19,000, it was because Terra did not pay VP's July 2024 bill, ie, the \$19,000 was a combined bill / payment for July and August 2024.

The VP board discussed 2024 operating versus reserves costs. Services should be charged to operating, maintenance and repairs should be charged to reserves.

It was noted that VP's insurance agent provided the cost for flood insurance, \$31,459.

The VP board reviewed / discussed / adjusted the proposed VP 2025 annual budget per the below.
